***What are Flex Funds?**

When a market center raises over \$10,000 in one year, 50% of their fundraising goes into the Kares 4 Kids general events and the other 50% goes into a Flex Funds budget for that market center. You can help creatively contribute to your community by helping children with your Flex Funds!

Is there an organization you would love for your market center to support through Flex Funds? Scan this code to tell us more!
