

# HOSTING A GREAT WE KARE BEARS PARTY!

Your fuzzy friends and all of their supplies will be delivered to your market center close to the end of February. Please ask your agents, ALC, and Culture committee where they might want your bears to go - a great question to ask at your weekly Team Meeting.

## 1. Post your We Kare Bear party flyer in your Market Center

We will email this to you about a month before. Fill in your event date (it is best at a weekly business meeting when your spring Kares 4 Kids presentation is!)

## 2. Once you receive your bears, choose a team meeting to assemble them.

On your We Kare Bears Party date at a team meeting, lay out the bears, ribbons and tags on the tables. Agents can wrap the ribbon on the We Kare Bears and write a simple note on the tags during the meeting. Give them some inspiration and ideas on what they might write.

## 3. For some good ideas on where to donate your We Kare Bears, review the charity list we will send you about a month prior to your event.

## 4. 1-2 weeks prior to your We Kare Bears party, fill in the Delivery Instruction flyers.

We will send those to you about a month before the event. At your party, staple the completed Delivery Instructions flyers to your delivery bags. Fill the bags with We Kare Bears and give them to agents to deliver them! Invite your agents to be a part of delivering them, and have them go straight from your meeting, to the charities and children!

## 5. Please be sure to take a lot of photos at your We Kare Bears party, as well as at the deliveries and share them with us or tag us when you post them #Kares4Kids.

## ASSEMBLY & PARTY INSTRUCTIONS:

- ➔ Each bear should have a red ribbon tied around it's neck, about 1 yard of ribbon, and a Kares 4 Kids tag attached by a tagger gun with a plastic fastener. A good way to do this is to push the tagger/fastener straight through the middle of the ribbon bow, so the tag is front and center.
- ➔ Staple flyers to the gift bags, and place about 12 bears in each bag for delivery.
- ➔ Be sure to take photos at your Bear party! If you post to Facebook or Instagram, tag us so we can share. Or email photos to [marcifaire@gmail.com](mailto:marcifaire@gmail.com) and [ppgassistant@gmail.com](mailto:ppgassistant@gmail.com).
- ➔ Invite new agents, different agents, and anyone else who would like to join you to the actual delivery of the bears. The deliveries are always fun and heartwarming.

Please let us know if you have any questions and have SO much fun with our fuzzy friends!
