

# HOSTING A GREAT KARDS 4 KIDS PARTY!

1. The purpose of this donation is to deliver gift cards to teens, as teens tend to be the "forgotten" age demographic during the holidays. Please be sure that the gift cards go to teens in need.
2. We will let you know about a month beforehand, how many \$75 gift cards your market center has to donate. We will let you know exactly when the gift cards will be delivered to your market center (close to the end of October/beginning of November).
3. Please look at the list of where they have been donated before for ideas on where to give them and also ask your agents and ALC. Invite your agents and ALC to be involved in the delivery of the gift cards.
4. Donate the gift cards before December 1 when possible.
